

INDIANA BOB

Author: Niko Enna

"Come on Bob", said Jimmy.

"Hold on Jimmy, I want to buy a taco" said Bob.

"No time for that Bob, we got to get to our plane" said Jimmy. Jimmy was confused about Bob's hunger problem so much that he was mad at Bob for being hungry.

"Ok fine said Bob".

"Here we are said Jimmy". One plane ticket please said Jimmy.

"Here you go said the plane ticket keeper".

"Run Bob were going to miss our plane to Canada" said Jimmy.

But Bob and Jimmy were in such a hurry they ran into the wrong plane.

"Ok we are taking off said the pilot".

After a few minutes the pilot said we will arrive in Africa In a few minutes.

"What"! Jimmy said.

Then Jimmy got up to talk to the pilot.

"Excuse me but you must have made a mistake this is not the plane to Africa..... Right? Jimmy said.

"No this is the plane to Africa" said the pilot.

"It can't be," Jimmy said.

"Well you better believe it" the pilot said.

"Well right now there is only one way off" said the pilot.

"What? Anything" said Jimmy.

"Ok" said the pilot.

"The only way off right now is to parachute".

"I'll need two" Jimmy said.

Why do you need two?, asked the pilot.

"I have a brother on the plane".

"Ok Sonny" said the pilot.

"My name is Jimmy not Sonny"!!!!, said Jimmy

Jimmy was mad at the pilot for calling him Sonny

"Ok said the pilot you don't have to get all mad about".

"Can I have the parachutes said Jimmy"?

"Oh yes here you go" said the pilot.

"Then Jimmy walked back to his seat, "hello Bob" said Jimmy.

“Hello Jimmy” said “Bob I heard your conversation”
with the pilot.
“How did you here that”. Asked Jimmy.
“Everybody heard you and the pilot” said Bob.
“How is that even possible”? Jimmy asked
“Someone must have been leaning on the button that allows the pilot to
speak to the passengers” said Bob. “Well any way we’re jumping right now
Bob” said Jimmy.
“Stop, “The snack person is coming around” Bob said.
“What is it with you and food” Jimmy said.
“I’m hungry” said Bob.
“Bob your always hungry” Jimmy said.
“I know, but can’t we wait?” Bob said.
“No Bob we have to jump now”! Jimmy said. “Ok lets just get it over with
said Bob”.
“Ok here we are the launching pad ok, one two three ...JUMP”!! Jimmy
yelled.
“Ah this is too fast” said Bob.
“Pull your cord” Jimmy said.
“Ok said Bob it feels funny falling”.
“Then Bob and Jimmy pulled there cord but the wind pulled them into the
deepest part of Africa and discovered an unknown village and an unexplored
area of Africa. And out of the misty air there was a yell yelling, “The
prophecy is fulfilled. “And all the village came out of there little huts, the
villagers looked like worms that just came out of the ground most of them
had paint on their face, but Bob and Jimmy were confused. They knew
nothing about a prophesy. So Jimmy asked a villager named banana
chickenchillypaints about the “prophesy”. Bananachickenchillypaints
said, “The prophesy is when two boys will fall from the sky and will bring
there village back there wealth”,
so Jimmy told Bob and they agreed to go so a villager named
What’syourname took them to a temple shaped like a burger that was burnt
and been left in gray paint And they went into the temple dodging traps and
finally they made it in to the treasure room but all they found was a honey
coated burger. Then Bob ate it in one bite then Jimmy read a plaque and it
said all mighty burger holds riches beyond compare. Then Jimmy said “Bob
that was the treasure”.
“Oh said Bob and when they got out apparently they sent a spy after them
and the spy saw Bob eat the “treasure” then the spy told them that Bob ate
the “treasure” and all of the towns folks started to chase Bob and Jimmy. On

their way they saw very strange animals and the names of the animals they saw was, a walabaloo, a sloopsalp, moomootata, catersnacker, globglap, and folafoopasrtencaxsetae. They made it as far as a river and to there luck there was a boat and they escaped and made it to Canada. When they got there they greeted all their relatives and had a wonderful day.

The End
